From Fess Parker, Davy Crockett in the Walt Disney movies and TV shows.

Dear Steve,

My congratulations to Tom Masinter and June Rachelson-Ospa. Not since Roger Miller had success with Shenandoah has there been to my knowledge an exciting musical out of our History. I hope that you are opening on Broadway in the near term as a result of the reading at the York Theatre.

Just for the record, I still have my cap and I enjoy the fact that there are still new generations of youngsters who respond to the Davy Crocket and Alamo circumstance.

Thank you for the invitation I will be there in spirit.

Best Wishes,

Fess Parker
